WELCOME

Welcome to Warrenton High School. We want your high school experience to be positive, enjoyable, and memorable. Involving yourself in school activities is one way to make this happen. Our goal is to provide a safe and clean environment in which to learn. Participation, respect, integrity, dependability, and enthusiasm are keys to making friends, being happy, and enjoying school. This handbook is written as a guideline of the policies and procedures for our school and programs. In addition there are federal and state laws, as well as district policies governing our school. Students and parents are encouraged to visit with the principal to discuss Warrenton High School curriculum, essential learning skills, common curriculum goals, and subject content standards and Smarter Balanced Testing procedures.

GENERAL INFORMATION

ACHIEVEMENT TESTING

State tests are given in the spring of the junior year. State testing in reading, writing, science, and math is required of all juniors. Seniors, who have not met the standards, will have retest opportunities during the year for the standard not met their junior year. All students must pass the essential skills requirement for high school graduation.

BICYCLES

Bicycles ridden to school by students must be parked in the designated area on school grounds and should be locked. Students under the age of 16 must wear a helmet as required by law.

The district assumes no responsibility or liability for loss or damage to bicycles.

BUILDING HOURS

Warrenton High School is open from 7:45 am until 3:15 pm. Loitering is not allowed and the school is not responsible for accidents involving non-supervised students before 7:45 and after 3:15. Students are not allowed anywhere in the building, including; the weight room; the locker rooms; the gymnasium; the halls; or the classrooms at any time unless they are under the supervision of a certified supervisor. Students waiting for rides are not to congregate in the office area.

FACULTY LOUNGE

The faculty lounge is off limits to students at all times.

HALL PASSES

Hall passes are required of all students in the halls during class time. The pass should show the signature of the teacher and include the destination and the time. T.A.'s are not to be in the halls during class time. They must also display some sort of authorization from their teacher and be on their way to or from a destination.

INSURANCE

The school district's policy does not cover students for accidents on school property. Students are encouraged to have their own insurance or obtain school insurance, which is provided by a private insurance company through the school district. Parents and students are advised to read their insurance policies carefully, and to be aware of the coverage and limitations.

LOCKERS

Lockers are provided for students' convenience and should be well maintained. Students must use only the lockers assigned to them. Students are responsible for any damage done to their locker during the year. Writing on lockers is prohibited. The school accepts no responsibility for the contents of any locker. Please do not keep money or valuables in a locker. Lockers are the property of Warrenton-Hammond School District and are therefore subject to search by the school officials when reasonable suspicion exists.

MEDICATIONS

Students who must take prescription and/or over-the-counter medication at school, on a temporary or regular basis, must provide a written request to administer medication, signed by the parent/legal guardian. Medication will not be administered until all requirements have been met. High school students may self-administer non-alcohol based over-the-counter medication for colds, headaches, etc.

PERSONNEL COMPLAINTS

A student or parent who has a complaint concerning a classroom/teacher issue should first bring the matter to the appropriate teacher. If the outcome is not satisfactory, a conference with the principal can be requested following the conference with the teacher. If the outcome of this conference is not satisfactory, the student or parent may file a written, signed complaint with the superintendent, who will investigate the complaint and render a decision. If the complainant is dissatisfied with the decision of the superintendent, he/she may appeal to the Governing Board in

care of the superintendent following receipt of the superintendent's decision. The superintendent will provide the complainant with necessary Board appeal procedures. Board decisions are final.

PUBLIC DISPLAY OF AFFECTION

The inappropriate public display of affection is frequently embarrassing to adults and students. Affection is limited to holding hands. Students are expected to exercise self-control and respect for the reputation of others. Specifically, kissing and inappropriate displays of affection are not allowed. Students failing to respect this policy are subject to disciplinary action.

SCHOOL CLOSURES & ALERT NOW

In the event of inclement weather, announcements for late start or school closure will be made on radio stations KAST (1370 AM) and KAST (92.9 FM) and on Portland television stations. The District has a computerized alert system that will also make a computer call and/or send an e-mail to each phone number registered with the school informing them of this information. This automated system will also be used to communicate with parents in the event of an emergency.

STAFF PARKING LOT

Students are not to be in the staff parking lot between the building and the football field during the school day, including lunchtime.

STUDENT EDUCATION RECORDS

The information contained below shall serve as the district's annual notice to parents of minors and eligible students (if 18 or older) of their rights, the location and district official responsible for education records. Notice will also be provided to parents of minor students who have a primary or home language other than English.

Education records are those records related to a student maintained by the district. A student's education records are confidential and protected from unauthorized inspection or use. All access and release of education records with and without parent and eligible student notice and consent will comply with all state and federal laws.

Personally identifiable information shall not be disclosed without parent or eligible student authorization or as otherwise provided by Board policy and law.

STUDENT RIGHTS & RESPONSIBILITIES

Warrenton-Hammond School District #30 is committed to maintaining a school system in which every individual must share the rights, duties, and responsibilities. The Governing Board goal in reference to student behavior states that all students will behave appropriately, respect each other, respect persons in authority, and respect the property of individuals and of the district.

Rights cannot exist without responsibilities, nor can responsibilities be expected without rights. The Board accepts the responsibility for adopting policies for the general governance of the schools, which will create school conditions free from discrimination. They also want to insure that learning take place in an atmosphere of open communication, self-discipline, and clearly understood guidelines. Each year the Board approves a Student Handbook to provide guidelines for students.

TOBACCO-FREE SCHOOL DISTRICT

Warrenton-Hammond School District #30 seeks to have a tobacco-free environment. The use or possession of tobacco products is prohibited on all school district property used for school district purposes. The term "tobacco products" as used in this policy shall be consistent with the definition of that term in ORS 431.840. Tobacco products are defined as any kind of a pipe, cigar, cigarette, e-cigarette or any other smoking equipment or material, for inhaling, chewing or sniffing of tobacco products. Possession or use of such products will result in a suspension from school and could result in a referral to the tobacco education program. Repeated violations may result in a recommendation for expulsion.

VEHICLE USE & PARKING

Parking permits are required. A parking permit can be purchased at the office for \$10.00.

A \$5.00 parking ticket will be issued to students parking in the student lot without a parking permit and/or for parking in a restricted area. **The paved staff parking lot is off limits at all times during the regular school day from 6:00 AM until 4:00 PM,** unless specific permission is granted for special circumstances.

Vehicles parked on district property are under the jurisdiction of the district. The district requires that before parking privileges are granted the student must show that he/she holds a valid driver's license, the vehicle is currently registered and that the student driving the vehicle is insured under a motor vehicle liability insurance policy or that the student or vehicle owner has provided the Motor Vehicles Division with other satisfactory proof of compliance with the financial responsibility requirements of the state.

School district students desiring to bring cars onto district property must register these vehicles in the school office. Students should be aware that parking on school property is a privilege and not a right. As a condition of parking on district property, district officials may conduct searches of vehicles upon reasonable suspicion of a policy, rule and/or procedure violation.

The district assumes no responsibility or liability for loss or damage to vehicles.

- All students driving vehicles to school will park on school property in the north parking lot in the spaces provided. Care is to be taken to park nose in to parking space staying within the space and behind the stop. Maintenance and bus driveways are not to be blocked. Students are not to drive or park on the south side or behind the school at any time. No student will be permitted to park off the school grounds for the purpose of having unrestricted use of their vehicle during the school day. Students parked improperly or in restricted areas may receive a \$5.00 parking ticket.

- All school, local, and state traffic laws must be obeyed. Speed limits are: **20 mph in a school zone and 5 mph on school property.**

More than 10 consecutive school days of unexcused absences; or fifteen school days total of unexcused absences in a single semester. (Board Policy JHFDA)

PARTIAL DAY ENROLLMENT

Off-campus educational opportunities are available through CCC, the MERTS Program, the Health Occupation Program, and the Work Experience Program. Students enrolled in these programs and also those enrolled for a partial day must not be on campus during their non-class hours during the school day. If circumstances cause them to be on campus, they are to report directly to study hall once they arrive at school.

FOREIGN EXCHANGE STUDENTS

Exchange students enrolling at Warrenton High School will be placed at a grade classification based on the number of years they have been in high school. They will be allowed to participate in all activities afforded students at their assigned grade level. Appeals will be addressed by the principal on a case-by-case basis.

ATTENDANCE

ATTENDANCE POLICY

- The parents or guardians are responsible for complying with Oregon Revised Statute (399.020) which states: “Every person having control of any child between the ages of 7 and 18, who has not completed the 12th grade, is required to send such child and to maintain such child in regular attendance at a public full-time school.” Any parent who fails to send a student to school within three (3) days of notification by school staff that their student is not complying with compulsory attendance requirements may be issued a citation by the district for the student’s failure to attend school. Violation is a Class C violation of law and is punishable by a court-imposed fine, as provided by ORS 339.925. Our philosophy is that all students are to remain in school for a minimum of four years, seven classes a year. Releases are not allowed for work unless enrolled in our Work Experience Program or upon administrative approval.
- Any student missing more than ten days during a semester is in danger of earning zero credit. Any student with legitimate/verifiable reasons for exceeding the absence limit will be subject to a formal review to determine course credit. Pre-arranged absences may not exceed five days per semester, with a maximum of ten days in a school year.
- Pre-arranged absences must be submitted for administrative approval.

- The expectation for make-up work following an excused absence is that work be submitted within one day of each day absent. (For example: one day's absence, one day after return, two day's absent, two days after return, etc.)
- Students living under the jurisdiction of their parents or a guardian, regardless of age, may not write their own notes.
- Students absent from school may not attend any school activities the day of the absence without administrative approval.

ADMIT SLIPS

All students must obtain an admit slip from the office immediately following an absence, before the start of the school day. Students getting admit slips after the start of classes are considered tardy. If teachers have provided a list of students participating in an off-campus school activity, admit slips are not required upon return.

APPOINTMENTS

It is recommended that medical and dental appointments be made outside the school day and during teacher in service days whenever possible. Frequent absences, even when excused, make it difficult for the student to keep up with class work missed. Students who must leave during the day for illness or appointments must **check out with the office secretary BEFORE leaving:**

- Student must have a note from a parent stating the reason for leaving, or,
- Student may call home and have someone from the office verify the call, or,
- Parent may call the school and have student checked out.
- Students must bring a note for the attendance file upon return.

Students who fail to check out in any of the above procedures will be considered UNEXCUSED and will be referred for disciplinary action.

EXCUSED ABSENCES

It is the responsibility of the student to maintain regular attendance in all assigned classes. Absences from school will be excused under the following circumstances:

- Illness of the student
- Illness of immediate family member when the student's presence at home is necessary
- Emergency situations that require the student's absence (documentation required)
- Field trips and school approved activities
- Medical or dental appointments (confirmation of appointments required)

Pre-arranged absences deemed appropriate by the school administrator.

EXCUSING UNEXCUSED ABSENCES

In order to remove an unexcused absence from the attendance record, students have three (3) days after the absence to bring a parent/guardian's note or a doctor or dentist signed note.

Unexcused absences that are not cleared after three days may result in detention and/or suspension.

PRE-ARRANGED ABSENCES

A prearranged absence is required only when a student will miss two or more days of school. Students are responsible for getting their assignments, either from the teacher or the school website, and having work finished upon their return.

Students involved in extra-curricular activities are required to be in school the entire day of their activity. If they are going to be absent for the day, or any part of the day, they must "prearrange", or bring a note signed by an authorized person at the site of the medical or legal appointment, to be allowed to practice, perform, or compete that day.

SIGNING OUT OF AND BACK ONTO CAMPUS

Students leaving campus during the school day must receive permission from the office and sign the sign out sheet before leaving campus for any reason. Upon their return to campus, they must sign back in at the office.

SUSPENDED STUDENTS

Students have an opportunity to make-up major assignments or tests they missed. Work may be requested by the student or parent and must be turned in upon returning to their regular class. Make-up test times must be arranged with the teacher upon the students return to class. Suspended students may not attend any school activities without administrative approval.

TRUANCY

A truant is any student who is absent from class or school for any part of a day without permission from home or school. Truant students will not be allowed to make up the missed work. Parent will be notified and discipline may include detentions or in-school suspension, suspension and/or expulsion and/or a formal hearing with the superintendent.

UNEXCUSED ABSENCES

Roll is taken the first 10 minutes of class. If a student is more than 10 minutes late, he/she must report to the office for an admit slip. Students entering a class after 10 minutes will be counted absent for activity/athletic participation purposes.

There are several situations in which an absence will be considered unexcused:

- Returning to school after an absence without a note from a parent or guardian.
- Not prearranging an absence.
- Leaving the building without permission. Students must checkout with the secretary before signing out or leaving the school building during school hours.
- Not bringing a signed note from a doctor or dentist showing medical or dental appointment was kept.
- Note that missing a school bus, a faulty alarm clock, car troubles or day care issues are not excused.

There is no obligation for the teacher to provide homework for an unexcused absence.

UNILATERAL PLACEMENT

Parents are required to notify the district before unilaterally placing their child in a private placement. The notification may be at an IEP meeting or at least 10 days before withdrawing their child for private placement. Parents must let the district know in writing that they do not accept the district's offer of FAPE (free appropriate public education), that they will be making a unilateral placement, and that they will be seeking public funding for their placement.

WITHDRAWAL FROM SCHOOL

- Students moving or leaving the school during or at the end of the year are required to check out with each teacher and be cleared through the office. Fees/fines carry over and must be paid.
- Report cards and/or diplomas are withheld if fees or fines have not been paid or arrangements to pay have not been made with the office.

PROGRAMS

BREAKFAST PROGRAM

Breakfast is offered to every student between 1st and 2nd period at 8:50. This will continue to be offered as long as funding allows.

LUNCH PROGRAM

The district participates in the National School Lunch Program and offers free and reduced-price meals based on a student's financial need. **Free or reduced-price lunches are not to be shared with other students. Students who violate this policy may lose lunch program participation privileges.**

TALENTED & GIFTED PROGRAM

Parents of talented and gifted students have the following rights:

- School districts shall inform parents at the time a child is identified for the program and of the services available.
- School districts shall provide an opportunity for parents to give input about the programs and services to be received.
- Parents may request the withdrawal of their child from programs and services.
- Parents shall be informed of the right to file a complaint. Any questions regarding TAG identification, programs, services, or complaints should be directed to the building principal.

POLICIES AND PROCEDURES

BUS REGULATIONS

- Be safe.
- Be Responsible.
- Be Respectful.

CELL PHONES & ELECTRONIC DEVICES

Cell phones and communication devices are not to be visible, heard, or used inside the building from 8 AM to 3:00 PM except during lunch. If a student needs to check a message or make a call, he/she may step outside the building during passing periods or do so during lunch.

If a staff member confiscates a cell phone, it must be turned over to that staff member, intact, and that staff member will turn it into the office. Refusal to turn over a cell phone will result in suspension.

Students will not be permitted to use cell phones for music during the school day. Accessing music through school computers is at the discretion of the individual teacher. All school policies regarding use of technology apply to use of laptop computers, tablets and cell phones by students in the building. Possession of electronic devices is at the risk of the owner. The school will not be responsible for stolen equipment.

DANCE RULES

- All dances will be over by 11:00 pm unless otherwise specified.
- All students and their guests must wear attire appropriate for the type of dance they are attending.
- **No one will be admitted one hour after the dance begins** unless previous arrangements have been made with the principal and/or advisor prior to 3:00 pm.
- Once a student has left a dance, they will not be readmitted if they leave unless arrangements have been made with the supervising administrator.
- Full day attendance at school is required on the day of a dance or other after school activity, unless prearranged, in order to be eligible to attend.
- All regular school policies are in effect at school dances, on and off campus.
- A student may bring a guest from outside Warrenton High School to school dances by completing a guest permission form from the office. Dance guest permission forms for homecoming and prom must be submitted at least one week prior to the event. Request forms must be signed by the parent or guardian of the host student. Requests for all other dances must be submitted at least 24 hours in advance. Outside guests must be a high school student or high school graduate under the age of 21, unless approved by the principal. Students will be held accountable for the conduct of their guest. If an invited guest violates any rules or regulations, the sponsoring student may lose the privilege of bringing future guests to dances.

DRESS CODE

The responsibility for the dress and grooming of a student rests primarily with the student and parents or guardians. Ordinarily, a student's dress or grooming shall not affect their participation in school classes or programs or in school related activities. When unusual dress or lack of proper grooming disrupts or directly interferes with the learning process of the individual student, of other students, or of the learning climate of the school, discussion with the offending student and/or parents must be immediately undertaken.

- Shoes must be worn at all times.
- Head coverings, including caps, hats, hoods, bandanas, and/or bandanas folded or rolled into headbands may not be worn at school.
