Prom Guest Permission Forms The prom this year will take place on **Saturday, April 21, 2018** at the Astoria

Masonic Lodge. Because of the expense involved (tuxedo rental, gown purchase) at prom, guest passes must be submitted for approval at least one week prior to the event.

Attendance

Students and parents should be aware that regardless of whether or not an absence is excused, the student still has a responsibility to meet the school district and State of Oregon attendance requirements. Excused absences may be granted for:

***The student’s illness**

***Illness of an immediate family member when student’s presence at home is necessary**

***A family emergency**

Please note that missing a school bus, a faulty alarm clock, car troubles or day care issues are not excused.

Notice to Students and Parents

Students are not allowed to leave school without **prior parental contact with the high school office**. When permission is granted, students must follow check-out procedure in the office. Leaving campus without permission will result in disciplinary action from the principal.

Students have always had the right to carry their own medications at our high school. This is a notice to remind you of the rules. Report prescription meds to the office. Being able to carry Tylenol or the like keeps students at school. You are to bring the medication in a labeled container to keep in your locker, backpack or pocket. Unidentified pills found on your person or locker can cause you some grief. Please use medication with caution and don’t share with your buddies.

CommuniCARE Update: Our student driven philanthropy club will be awarding grants totaling \$16,500 to local nonprofits that support causes related to improving health, human services and education in our community. The **CommuniCARE** awards ceremony will be held *Wednesday, May 9th*. The location is to be announced.
