WARRENTON-HAMMOND SCHOOL DISTRICT MISSION STATEMENT

(L)earning opportunities for
(E)ach student to
(A)cquire and become
(R)esponsible and productive citizens
(N)ow and in the future

Witness the classic fairy tale **The Princess and the Pea** like you've never seen it before... **Warrenton High School presents the musical comedy Once Upon A Mattress**. In a medieval kingdom ruled by an unsatisfied queen and mute king, one law seems to stand out from the others: "Throughout the land no one may wed, 'till Prince Dauntless shares his marriage bed." Many princesses in neighboring kingdoms must take a certain test devised by Queen Aggravain herself, in order to see which of these worthy may wed

her son—Prince Dauntless the Drab. Alas, a lass has yet to pass one of these unfair tests, and the kingdom is growing impatient. While time is running out for many, it seems there are no princesses left to test. All hope seems lost...until the dutiful knight Sir Harry stumbles upon a kingdom in the marshlands. It seems as though the energetic and unrestrained princess of the swamps is their last chance—Princess Winnifred the Woebegone. A strict, devious queen along with her trusty wizard and cursed king...romance between a knight and lady-in-waiting...an oblivious prince and an outgoing princess...and a very strange test.

Come see this fun and amusing play on January 24th, 25th, and 27th at 7:00 pm in the Warrenton Gymnasium. The cost is \$8.00 per person and the doors open at 6:30 PM.

Music by Mary Rogers, Lyrics by Marshall Barer, Book by Jay Thompson, Marshall Barber and Dean Fuller.

Parents:

We have an exciting opportunity to have our students partner with the Harold and Arlene Schnitzer CARE Foundation to improve the community in which we live. This program is called "**CommuniCare,**" and it allows our students to form a "mini foundation" to explore and learn about philanthropy.

The Harold & Arlene Schnitzer CARE Foundation believes in creating opportunities for young people to improve life in their communities. The goal of "CommuniCare" is to have teens learn about the needs of their community. Through grant making, our students will learn about the ethic of philanthropy and volunteerism while giving back to our community.

Our students are challenged to fundraise \$1500 by the end of February. The Harold and Arlene Schnitzer CARE Foundation will then contribute \$15,000 to our students. These funds will then be used by the students to support the school and local non-profits. Our students will raise money, create a mission statement, review information on local non-profits and then become the philanthropic grantor to support our local community.

We are very thankful to be chosen for this program. We are excited about the chance to participate in the program, and we hope to continue this partnership into the future.
